December 22, 2020

Dear King Members, Friends, and Family:

Yesterday I was happy report that we no longer have any members in quarantine with COVID-19. This means that we can move forward with implementing our Safe Visits plan. You should have received a separate communication about that plan, but if you haven't seen it, you can view it at [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com).

Since my last update yesterday (12/21), one employee has tested positive for COVID-19 and four have recovered. There are no new positive cases among members. Currently there are six active positive cases of COVID-19 on campus (zero members, six employees).

Please note, on December 23rd this update (if necessary) will be electronic only. We will post any necessary updates for December 24-27th on [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com) only. Beginning in January 2021, we will be moving to email and text notifications, instead of mailed paper letters, as our primary way of sharing these updates. If you haven't yet added yourself to our email and phone mailing list, please do so now at [www.WisVetsEmail.com](http://www.WisVetsEmail.com). If you would like to continue to receive printed and mailed letters, please contact Barb Anderson at (715) 256-5022.

Sincerely,

Tammy Servatius, Commandant
